**RESPONSE TO NOTICE OF INCOMPLETE REPLY (NONPROVISIONAL)**

Dear Sir:

A Notice of Missing Parts was mailed in this application on September 19, 2001. The Notice (a copy of which is attached) indicated that the filing fee had not been paid, that the oath or declaration was missing, and that substitute drawings were required. A Response to the Notice was filed on December 18, 2001, along with a one-month extension of time. The Response included all of the requested items, including formal drawings in conformity with all applicable requirements; see our cover letter listing the drawings, and our stamped return card acknowledging the filing of the Response to the Notice of Missing Parts (although the drawings are not specifically listed on the return card).

A Notice of Incomplete Reply has now been received, and a copy is attached. This indicates that substitute drawings are still required. It is not clear from the Notice whether the drawings filed December 18, 2001 were lost by the Office or whether they were deemed not to conform to one regulation or another.

Submitted herewith is a second copy of the formal drawings, totaling three (3) sheets. These are again in conformity with all regulations. Entry is respectfully requested, followed by examination on the merits.

Inasmuch as formal drawings were submitted previously, as evidenced by the cover letter submitted herewith, it is

respectfully submitted that the Response to the Notice of Missing Parts was complete, and therefore that no further extension of time is necessary to render this Response timely. If, however, it is the Office's position that the drawings submitted previously were not in conformity with the regulations, this paper may be treated as a request for a further extension of time, and the required fee charged to deposit account 04-0401 of the undersigned. A duplicate copy of this sheet is enclosed.

Respectfully submitted,

Jan. 2, 2002
